A LETTER FROM RYAN WHITE

Dear Razorback Fan,

It's an interesting time for collegiate athletics and it will continue to evolve in the coming months and years. In 2025, the Athletics Department will be tasked with revenue sharing with student-athletes and enduring changes to roster limits and additional scholarships.

Things at the Foundation are changing, too! We've moved back into our renovated office space (which we hope you will stop by and see some time), launched the men's basketball reseating and reparking of Bud Walton Arena, created the new '94 Club, benefiting the Men's Basketball program under Coach Calipari and hosted our first ever 50/50 raffle!

We rely heavily on our more than 10,000 members to support the programs and mission of Arkansas Athletics. There are multiple ways to get involved and we hope you consider joining us today! From joining as an Annual Fund member to pledging a capital gift, all donations received help support our more than 465 student-athletes in their quest to become Razorbacks and Champions for Life.

Together, as ONE Razorback, we can set our program up for success!

GO HOGGS!

Ryan White

SEASON TICKET & PARKING POLICIES

HOW IT WORKS

Your Razorback Foundation Annual Fund membership level determines how many season tickets, parking passes, and which specific sections within each athletic venue you qualify for.

- To retain your season tickets and parking, you must meet or exceed your previous year's Annual Fund contribution.
- Membership requirements for all sections, parking lots, and season ticket limits are subject to change on a year-to-year basis and without notice.
- All season ticket and parking inventory is based upon availability each year. Giving at the minimum membership level requirement for specific sections or parking lots does not guarantee tickets or parking in those locations.
- The Razorback Foundation or Razorback Ticket Center reserves the right to hold your tickets until all balances for both parties are paid in full.

SEATING AND PARKING REMOVAL/RELOCATION

Seating and parking for all sports are subject to removal or relocation if:

- Annual fund contribution is not maintained
- Any renewal or payment deadlines are not met
- There is an outstanding balance from the previous year
- Renovations or construction projects
- A reseating or reparking process is communicated for any sport.

ACCOUNT TRANSFERS AND MERGERS

- Razorback Foundation members may submit a request to transfer their season tickets or merge their account to immediate family members only (parents, current spouse, children, or siblings). The request must be submitted in writing to the Razorback Foundation.
- To retain the same seating, the new account holder must increase to the required annual fund membership level OR maintain the current account holder's contribution if the required membership level is already being met.
- Suites, loge boxes, and parking are not eligible for transfer.
- Requests to account name changes of any kind are subject to the same policies.

PRIORITY POINTS

The Razorback Priority Points Program is designed to recognize our members' commitment to Razorback Athletics, honoring and rewarding their generous financial support, loyalty and passion over the years. The program encourages consistency and transparency in the allocation of member benefits, tickets and parking by assigning point values to several categories of giving to the Razorback Foundation. The points from each giving category are combined, then used to rank each member within their Annual Fund membership level.

ANNUAL FUND MEMBERSHIP CLASS AND RANK WITHIN EACH CLASS WILL DETERMINE HOW THE FOLLOWING BENEFITS ARE ALLOCATED:

- New/Additional Season Tickets
- Season Parking Passes
- Suites and Loge Boxes
- Season Ticket and Parking Selection Process Appointment Times
- Away/Neutral Site Game Tickets
- Postseason Tickets (Bowl Games, SEC and NCAA Tournaments, College World Series, etc.)
- Other Razorback Foundation Benefits

PRIORITY POINTS ARE ALLOCATED AS FOLLOWS:

1 Point for every \$100 received - All Gifts (Annual Fund gifts, Capital gifts, ONE Razorback Fund gifts, event sponsorships, etc.)

5 Points for every consecutive year of giving to the Annual Fund

25 Points former Razorback Student-Athlete - allocated one time

2X points for Capital gifts of \$50,000-\$99,999
