Cardinal & White is the philanthropic society of the Razorback Foundation designed to support facility construction and renovations, student-athlete development opportunities, scholarships, endowments and other operations designed to enhance the student-athlete experience. **Cardinal & White** features five different membership levels, starting at \$50,000. Each gift commitment can be made payable over five years. These funds are crucial to Razorback Athletics remaining competitive on a national level and in the Southeastern Conference. In recognition of their generosity, members gain access to an exclusive benefits and stewardship program for five years once a gift agreement is executed.
